---

### **Why should you create a YouTube account?**

You will need one if you ever want to upload content

You can keep a list of your favourite videos on playlists in your account

It's easy

### **How do you do it?**

It's very straightforward - go to the YouTube page <http://www.youtube.com>

Fill in all the fields

Here's a link to a YouTube showing you how to do it!

<http://www.youtube.com/watch?v=6UBrKBcKR1Q>

Now over to you - if you don't already have an account, get creating!
